Privacy Consent Form

We require your consent to collect personal information about you. Please read this information carefully and sign where indicated below. This medical practice collects information from you for the primary purpose of providing quality health care. We require you to provide us with your personal details and a full medical history so that we may properly assess, diagnose, treat and be proactive in your health care needs. This means we will use the information you provide in the following ways,

- Administrative purposes in running our medical practice
- Follow up reminder/recall notices for treatment and preventive healthcare by email and/or sms
- For legal related disclosure as required by a court of law.
- Billing purposes, including compliance with Medicare and Health Insurance Commission requirements.
- Disclosure to others involved in your health care, including treating doctors and specialists outside this medical practice. This may occur through referral to other doctors, or for medical tests and in the reports or results returned to us following the referrals.
- Disclosure to other doctors within the practice, locums and by Registrars attached to the practice for the purpose of patient care and teaching.
- I give permission for my general practice to obtain medical information from other health professionals if necessary
- I give permission for Wishart Medical Centre to contact me directly by telephone for consultation when unwell with COVID-19 symptoms or being in contact with COVID-19 to help reduce the risk of community transmission and provide protection for patients and health care providers.

Healthcare providers will upload health records connected to the My Health Record system such as changes in medical treatment, allergies, medicines and immunisations. This helps them to provide you with the best possible treatment and care. Please advise GP at the time of consult if you do not want this information to be uploaded.

If you have any questions in relation to any of the above matters please raise these with you doctor
